HI-TECH
PROTECTION SECURITY

An ISO 9001:2015 Certified Company

SECURITY YOU CAN TRUST.
PROTECTION YOU CAN RELY ON.

WHO
WE ARE

HI-TECH SECURITY FORCE, established in 2008, having its operations in **Karnataka, Tamilnadu & Kerala**. Committed to delivering professional, disciplined and dependable security services. **HI-TECH PROTECTION SECURITY**, an associated entity of HI-TECH SECURITY FORCE is a Bengaluru-based security management company dedicated to providing reliable and comprehensive protection solutions for businesses, institutions, residential communities and individuals.

Our organisation is managed by well-experienced and trained Ex-Army personnel, bringing military discipline, alertness, responsibility and leadership to every aspect of our security operations.

We believe effective security requires more than a uniformed guard. It requires training, vigilance, discipline, communication and quick response.

Our security personnel are selected and trained to understand the importance of maintaining a safe and secure environment while conducting themselves with professionalism and courtesy.

WHY HI-TECH PROTECTION SECURITY?

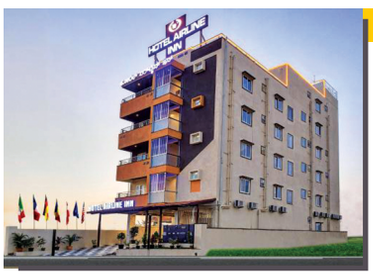

- Managed by Ex-Army Professionals
- Trained and disciplined security personnel
- Professional and responsible approach
- Strong focus on vigilance and prevention
- Security solutions tailored to client requirements
- Regular supervision and operational monitoring
- Commitment to client safety and satisfaction
- Reliable security support for residential and commercial properties

OUR APPROACH

- **ASSESS**
- **PREVENT**
- **PROTECT**
- **RESPOND**

PROFESSIONAL SECURITY GUARD SERVICES

We provide trained security personnel for a wide range of establishments and environments.

HOTELS

Professional security support for hotels, guest areas, entrances, parking zones and other critical areas, helping create a safe and welcoming environment for guests and staff.

BANKS & FINANCIAL INSTITUTIONS

Security personnel trained to maintain vigilance at entrances, premises and sensitive areas while supporting access control and visitor management.

CORPORATE OFFICES

Reliable security solutions for corporate offices, business parks and commercial establishments, including access monitoring, visitor management and premises surveillance.

FACTORIES & INDUSTRIAL UNITS

Security support for industrial premises with a focus on gate control, employee and visitor verification, material movement and protection of valuable assets.

OFFICES & COMMERCIAL BUILDINGS

Professional guards to help protect employees, visitors, property and business assets while maintaining an organised and secure workplace.

RESIDENTIAL APARTMENTS

Security solutions for apartment communities, including entrance monitoring, visitor management, vehicle movement, common-area vigilance and overall premises security.

DISCIPLINE.
VIGILANCE.
RESPONSIBILITY.

We understand that every client has different security requirements. Our approach is therefore focused on providing personnel and security practices suited to the specific nature of each location.

DISCIPLINE
Following established procedures and maintaining professional conduct.

VIGILANCE
Staying alert and attentive to potential security risks.

RESPONSIBILITY
Taking ownership of assigned duties and protecting the premises entrusted to us.

INTEGRITY
Maintaining honesty, confidentiality and trust in every assignment.

PROFESSIONALISM
Representing our clients with courtesy, discipline and respect.
